UI/UX Designer · Web Designer

www.linkedin.com/in/yueh-ting-chung-b8a89722a

PROFILE |

Creative and empathetic UI/UX Designer with a strong background in Fine Arts and Interactive Media Design. Skilled in blending artistic intuition with human-centered design to create meaningful and emotionally engaging experiences. Passionate about exploring how design can not only solve problems but also bring joy, comfort, and value to everyday life. Known for great visual sense, teamwork, and creative storytelling.

QUALIFICATIONS SUMMARY |

- Strong foundation in both visual design and interactive media, bridging art and technology.
- Experienced in UI/UX design, user research, and prototype development using Figma and Adobe Creative Suite.
- Skilled in responsive web design and front-end fundamentals.

EDUCATION |

Seneca Polytechnic, Toronto, Canada
Diploma in Interactive Media Design
Sept 2024 – February 2026

- Focused on UI/UX design, front-end development, and digital media.
- Experienced in creating responsive websites and interactive prototypes using Figma, HTML, CSS, and JavaScript.

Taipei National University of the Arts, Taipei, Taiwan
Bachelor of Fine Arts (B.F.A.) – Department of Fine Arts
Sept 2016 – June 2020

- Built a strong foundation in fine arts, visual communication, and creative thinking.
- Explored painting, sculpture, and mixed media to express social and environmental themes.

WORK EXPERIENCE |

Art Teacher
Beigan Junior High School & Tangqi Elementary School, Lienchiang County, Taiwan
Aug 2020 – Aug 2022

- Taught Fine Arts and Design courses, fostering creativity and visual expression in students.
- Organized school exhibitions and art workshops, enhancing community engagement through art.
